Country focus: PTEE in Sudan

PTEE graduation in Sudan

While the news from Sudan has been and remains extremely sobering with accounts of genocide in Darfur and the ongoing conflicts between the north and south, the PTEE continues to experience growth of its ministry and classes there. The PTEE extension methodology and

the accessibility of its courses are particularly well-suited to Sudan, where students have very limited resources for travel and education. Providing an affordable, on-location opportunity for education meets a tremendous need in a relevant and appropriate way.

A Voice from Sudan

"Being a part of the PTEE I have witnessed God's love, grace, and goodness in my life and around me. Many people... were looking to obtain Christian education to improve their ministry skills, but because of their families, ministries, and expensive costs they couldn't travel to study. However, with PTEE, we came to them instead and supported them. It was nice to see that Christian leadership education was able to reach people in hard places and that they felt they were not forgotten. God's goodness and grace reached them right in their own communities."

- Vision trips for those interested in the work in Sudan to experience the hope for growth firsthand
- New PTEE center and bookstore
- Increased visits between the leadership of PTEE in Sudan and the headquarters in Jordan

2008 PTEE Annual Meeting held in the PTEE Ministry Center in Amman, Jordan

The Lord Provides!

For the past 5 years the PTEE has tried to raise enough money to purchase the currently rented building for the purpose of a ministry center headquarters in Amman, Jordan. It has been over several years of trying. We have been unable to go toward programming.

Indeed He Does!

It's HERE! We now have 100% of the needed amount to purchase the Ministry Center! God is good, indeed He is! Thank you for your prayers and we invite you to celebrate this with us!

be able to go toward programming.

Please keep the PTEE in your prayers

- For resolution and transition into peace throughout Sudan.
- That the PTEE in Sudan would be able to fulfill their vision of having two PTEE centers, one in the North and the other in the South.
- For PTEE's Annual Meeting which will take place October 20-23 in Amman, Jordan.
- For students, tutors, and staff in Syria, Lebanon, Jordan, Sudan, Egypt, Iraq, and other areas of the Arab world.
- That the PTEE would continue to find new funding sources to enable the ministry to grow.
- That God would open doors for the PTEE to start classes in more countries.
- For the remaining 8% (\$56,250) needed for the building fund.
